THE COMPLETE ULTIMA VII

THE BLACK GATE. Lord British presents the first chapter in the third book of the award-winning Ultima saga. The Black Gate combines the sword-and-sorcery elements of previous adventures with those of murder mysteries and horror thrillers. You'll need to master the arts of investigation and detection to solve the secret of The Black Gate.

- Full-screen view — everything in Britannia is larger and more richly detailed.
- Totally mouse-driven interface — you can talk to characters without typing a single word.
- A feast of sound and music — a dynamic cinematic soundtrack and digitized speech and sound effects.*

FORGE OF VIRTUE. The Isle of Fire has risen from the seas of Britannia. It is populated with many foils, yet you're drawn by the challenge ... complete these quests and you'll return to Britannia as the most powerful character in the land, wielding its most formidable weapon.

SERPENT ISLE. As the Avatar, you thwarted the Guardian in *The Black Gate*. Eighteen months have passed since your seeming victory, but you now find yourself trapped in Britannia by the same circumstances that keep the evil at bay. Vital questions remain unanswered, and deep mysteries remain unsolved.

- A newly discovered realm of Britannia to explore, familiar in so many ways, yet all-new and totally unknown. Adventure deep into frozen wastelands and chart the mysterious, interdimensional Ethereal Void.
- Larger close-up portraits (rendered in near-photographic detail), improved inventory control, new magical spells, a dynamic music score, and enhanced sound effects and speech - all combining to highlight the latest Ultima game technology.*

THE SILVER SEED. The quest to save Serpent Isle takes you to a mysterious war-torn past that holds the key to the future. Complete these adventures, and you'll come back through time more powerful than ever before — with the Seed you need to heal the devastated land. **\$59.95**
